

PRINCE'S GARDENS YEAR 6 LEAVERS DESTINATIONS 2022

Prince's Gardens Preparatory School is a non-selective school. We work closely with parents and students, helping students select a senior school that will support their talents and interests and allow them to flourish. We are so proud of this year's Year 6 who have worked hard to secure places at some of the most successful schools across the UK.

Our 15 leavers have been offered places at the below schools.
